Only these days are
everything to me...

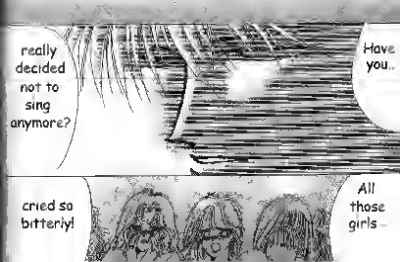
Tokyo Pop

Ah, it hurts!
My cut

didn't I tell you not to get it wet?
Good grief.
it's still got stitches in, you have to be careful!
Now it's gross just to look at. No matter how shallow it is
Yes!
Raise your arms!
Can't even remember so much as like that
needs several times more care than anyone else
Stroke
Izumi
!!

Where did that pot come from?!?
So... Sorry...
Are you looking to get locked up?
This is torture
I swear, it's exactly this
attitude of yours that invites murder
You know her, don't you?
What are you going to do about the girl?

It's a joke! I've already gotten Shibuya to minimize the press coverage. On the other hand, there were too many eyewitnesses to the attack, so it might be difficult work...

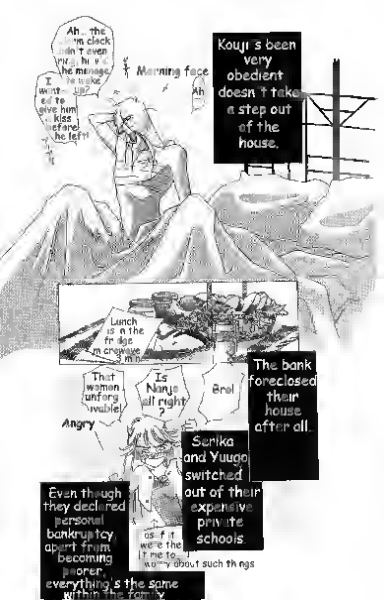


Cold-blooded playboy?
You know, I never understood before how a cold-blooded playboy like you could be so popular
But now that I've seen you in concert,
I felt as if you were in another world...
you looked so completely different - it was like receiving
an electric shock throughout my body
You felt that?
CRU

I'm going to make dinner.
He never learns!
Personally,
I don't care if you're a singer or not.
I just feel that it's a bit of a waste if you abandon your career like that.
I'm nearly unconscious with happiness to be praised by you!
Am I really that wonderful?
I really want to give you a puch to make you unconscious.
Doesn't care if he...is punched he's not letting go
Didn't I say it before?

Izumi, in your heart...
Even if a million people love me and need me, if the person _I_ love doesn't need me, then I have no more reason to live.
The important thing isn't so much how deeply one loves the other but one's standing in that other's heart
what standing do I have?

The sudden retirement and the assassination attempt brought intense scrutiny from the press. To avoid reporters, we've been living jointly in this house.
No worries, and morning!
School's out for an hour soccer practice so he's to get up at five.
Tsubiyuki, I'm sorry for making you come to pick me up every morning.
Shibuya's put a damper on any press releases since the first conference.
He's still motivated to work after all!!
Nanjou instructed us to bring over the guitars, mixing board and piano
What standing?
Like that he looks cool singing or some such?
Did you say something to him?
Exited
Ur
Kou him



Ah... the alarm clock didn't even ring. I've the message.
I want... just to give him a kiss before he left
Morning face
Ah
Kouji's been very obedient doesn't take a step out of the house.
Lunch is in the fridge in crevasse 3 hrs
That woman, unforgivable!
Is Nanja all right?
Eroi
Angry
The bank foreclosed their house after all.
Senka and Yuuga switched out of their expensive private schools
Even though they declared personal bankruptcy, apart from becoming poorer, everything's the same within the family
as if it were the time to worry about such things

And as for me...
Beethoven's Piano Concerto no.14, but I only like the first movement.
What magnif-icent music!

Wide shoulders,
Can't play soccer either
I can't cook
Pale hair,
handsome face
broad chest
Can't sew either
House work too
Just a type to make a women swoon
You're good at everything aren't you?
To me,
in those strong arms warming myself against his body.
you're nothing short of a miracle.
listening to his heartbeat...
I've decided not to go to Italy.
I feel an incomparable sense of peace!
I...

Even if I go to Italy I won't become a firstrate player right away.
and money is more important now.
After what happened to Serika's parents, I can't go on happily with my soccer exchanges.
Ah..?
It's not as if Japan doesn't have professional soccer.
My legs are worth their trouble.
If we create a good record at this year's nationals, the scouts will come.

Soccer's always been by my side
No matter what anguish or sadness I endure,
as long as I can chase after soccer in my dreams I can forget everything
Soccer would never betray me
and the joy it brings me is beyond compare.
of that
I'm confident

You only have to feel the rush once to be hooked for the rest of your life!
Do you know?
In the second you score that feeling of elation of fulfillment!
The more hotly disputed the match, the greater the excitement when the ball goes in the net!
So...
If...

I've never been so needed before!
I would have repressed myself forever.
If this person hadn't appeared in my life, would I have continued to play soccer?
As if something within me is continuously in danger of being swallowed by this raging stream
a devouring fear wells up from the very soles of my feet
But even so, I couldn't give up soccer.
I curse resist refuse constantly by playing the victim
never allowed to burn with all my might!
I've always been so afraid of him!

But then why...
is there anxiety smouldering in my heart?
I feel such peace in his arms
That Kunihide skipped practice again!
I'm leaving!
Let's get Mic
The match is tomorrow, think he's gonna be okay?

Really? Then we'll be off Captain
Bye!
I'll lock up You guys leave.
Kunihide...
Izumi, it seems that girl Eri
slit her own wrists. Not deeply though.
Kunihide hasn't spoken to a girl since that day.
The reporters are talking her life unlivable.
Ah...
He considered on Leaves marks all over me so I can't even change with the other guys

Kuni
Ah
I've been worried about you!
I'll be playing tomorrow
Sorry

I don't want to probe too deeply.
!!
Oh... all right then.
but are you the one Nanjou Kouji has such feelings for?
Did he do this to you?
Izumi-sempai...

Izumi-senpai, I've always admired your skill on the field, but to find out that you're homosexual is really quite a disappointment.
I'm not.
It's not true, is it?
NOT WHAT?

Sempai... Eri slit her wrists three
times in a row!
track her down just to insult her. She was finally moved into the countryside
She doesn't eat, doesn't sleep... her family has to watch her constantly for fear she'd try it again. They can't leave the house because of the reporters massed outside the door and other fans.
breaks into tears and apologies!
Every time she sees me she
and when I open my eyes again I've...

That bastard...
Of course she asked for it. Jumping into obsession with both feet, and once she can't have him she tries to kill him!
to make
his loved one suffer for his mistake,
Right? Sempai
what causes him the most pain should be...
But then, love itself isn't something that common sense can explain...
If that person were a woman
he'd worry about her getting raped, being made pregnant,...

I don't get it Disgusting! Does it feel good between two guys?
???
The tabloids would pay through the nose for this one...
Thank goodness sempai is male
I'm not a pervert like you so I don't do it with men
He...
It's not men he loves
He says he'd love me no matter if I were a man or a woman!
If your girlfriend were a boy, would you stop loving her? Are your feelings as shallow as that?
No matter what I am at all!
it's just me!

With what we have!
Don't compare that shallow sort of love...
Don't compare that sort of love...
The same...
I'm delivering...
Don't take him...
every-thing he says?
from my side...
Do you really believe...
And even if it's true now, who can guarantee the future? Don't they say that love is only a fever-sickness?
What makes you think he's speaking the truth? One can only understand one's own heart not anyone else's.

Nothing is eternal
There will always be coldness, irritation, abandonment.
Isn't that why humans wish always to preserve the _now_ to stop time in this very moment? Isn't that so?
Eri said that she loved me too! We've been together for five years...
If you believe him, will you throw yourself into an affair that society doesn't accept? Spend the rest of your life this way? Izumi-sempai!

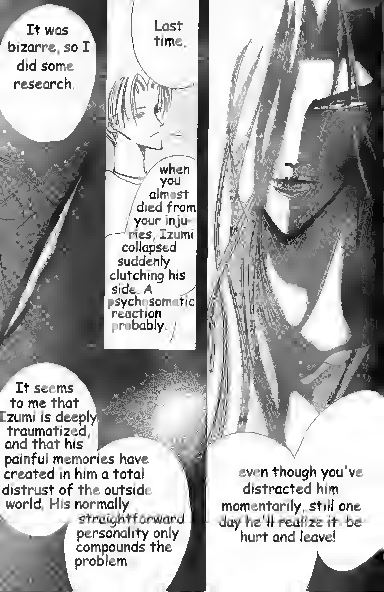
Let's die together then!
I love you
Stop me.
Humankind doesn't aspire to momentary peace Or a bond between souls that is fleeting.
But...
a kind of eternity...
what could be an eternal robbery!
But...

Sem-
pai!
I know it so clearly!
I know...
It hurts

Me...
the bleeding won't stop!
Where's the beauty?
What sort of expression is that?

What is it now? I mean, you're officially living together with Taku-chan who cooks, cleans and takes care of you. Aren't you supposed to be in seventh heaven?
I heard he's not even going to Italy anymore.
It's not important! I decided long ago to follow him wherever he goes.
Screw Italy!
You're hopeless!
Evil motive-ne- if your fans knew they'd cry themselves cattitonic!
I made the money, didn't I?
To cover following Izumi around-
You mean that mini-album out of nowhere was...
AH?

He's playing a dangerous game. If he's so deeply wounded why doesn't he show it on the outside? And if he's built his defenses so high why leave in them such a fatal breach?
What.
He seems so complicated, but in reality he's the simple one.
Izumi
words like that out of you? I thought you were a straight forward creature
For instance,
So it's not hard to figure out how to hurt him or to own him
Exploit his natural sense of responsibility his love for his siblings and his desire to protect them
one can use his weak point - that is his family



It was bizarre, so I did some research.
Last time,
when you almost died from your injuries, Izumi collapsed suddenly clutching his side. A psychosomatic reaction probably.
It seems to me that Izumi is deeply traumatized, and that his painful memories have created in him a total distrust of the outside world. His normally straightforward personality only compounds the problem.
even though you've distracted him momentarily, still one day he'll realize it, be hurt and leave!

Love is brutal; never more than a hair away from true violence.
he damages himself with his own...
Shut up!
That uncertainty only worsens Izumi's injury
Don't talk any more
defense mechanisms
I was only theorizing but one look at your face tells me I'm on the money after all.
Sorry about that it's just the way I am

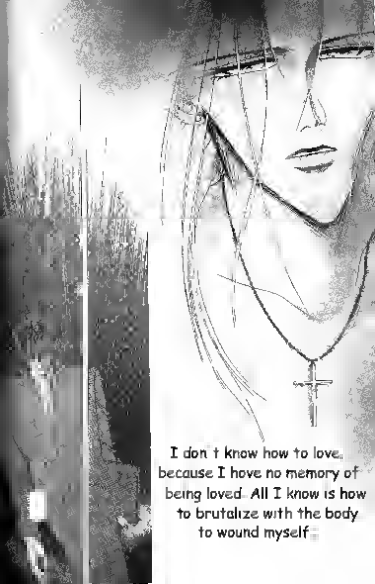
If pretty words and a sweet attitude could bring you happiness...
What's wrong?
I thought you'd be happy that I wasn't going to Italy after all...
then you would be happy already, wouldn't you?

Why?
Cause it's so restrictive in Japan, not being able to make out with you in public!
Hmm... maybe it's better to go to Italy after all?
Why?
Should I be happy? Then I'll be happy!
Let's go!
Rent a big house,
keep a big dog,
go grocery shopping for dinner hand in hand

If you have long vacations, travel to soccer competitions all around the world
England, France, Germany... back to Japan for the J-league, but you'd have to sneak back because you're with an Italian club...
Ah, Izumi's going to become a famous athlete one day, so it doesn't
really matter if I retire from the entertainment world
Ha ha
What sort of plan?
It's a great idea
You'll be a soccer superstar
I'll be a musician residing in Italy

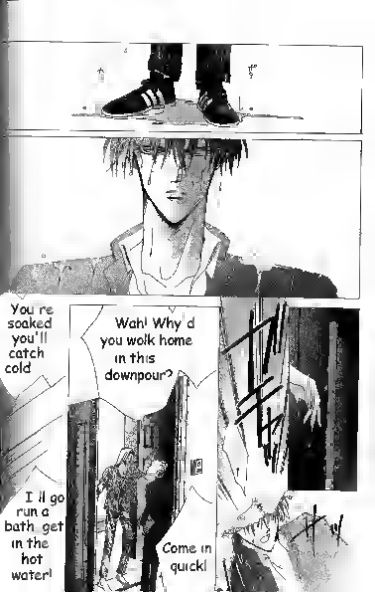
When did I say that?
So that's the kind of person you are. Your fans have wasted their tears.
But you said I looked cool doing it.
So I pretty much have to continue.
What, didn't you quit singing?
Forever and ever together!
A time of happiness,
sweet everlasting life!
Dream ideals like eternal happiness
You're too unrealistic!

First of all do you think it's easy to become a soccer superstar in Italy? The difference is just out there!
just don't exist!
Just...
Don't exist



I don t know how to love,
because I hove no memory of
being loved. All I know is how
to brutalize with the body
to wound myself

I won't be injured again.
I'll be careful.
I won't be apart from you. I'll protect you with all my heart.
I won't burden you, and I won't betray you.
I'll become someone you need, someone who makes you happy.
I want to love you for the rest of my life!
Even though you're by my side...
Even so, it's not enough.



You're soaked you'll catch cold
Wah! Why'd you walk home in this downpour?
I'll go run a bath, get in the hot water!
Come in quick!

Koji
Isn t there an important match tomorrow? Go warm yourself up do you hear me?
I'm cold

Will you love only me forever? Even if I had a girl I liked?
Even if I got married and had kids?
Yes
I do!
Koji...
do you love me?
you're always bothering me!
How do you know you'd always love me? You might find a woman you liked better someday! We're both men! Damn you I hate you
I love you!
I'll never be happy as long as you're there!
I love you!

Will you make me.
unhappy just so you could be content?
I hate people like you the
most!

Kou
But I love you!
I don't need you at all!
I hate you! I hate you!
I still... love you!
I hate you!
Even if you hate me, I still love you!
!!

I want you to see!
Ah!
With your lovely eyes to see all of me... from head to feet.
Izumi Takuto, you are my every-thing!

My heart is here. If I could tear my body apart,
I would rip it out and show it to you
If that could make you believe me!

It's calling out my love for you!
Can you hear the blood in my body?
What do I have to do to make you believe me?
I know what we have now isn't enough!
What should I do? I know words are useless!
Ho...
hold me tight...
Embracing each other like this,

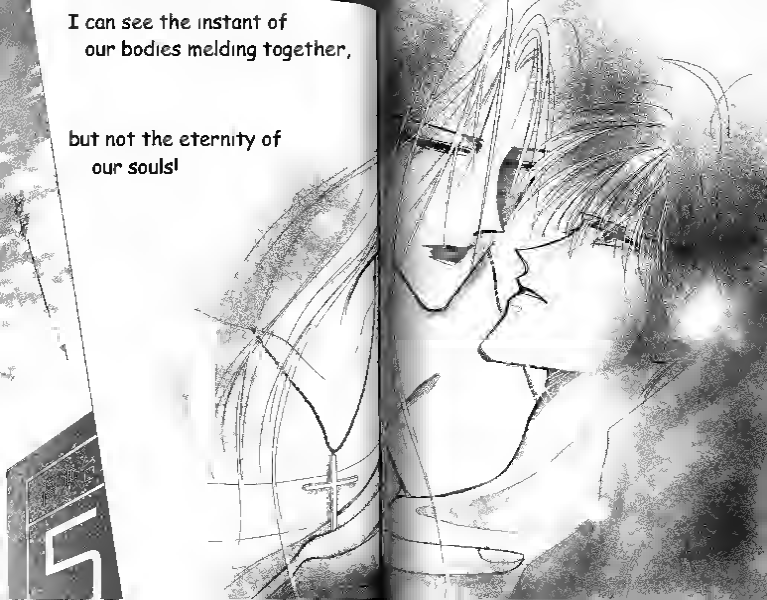
I'm breaking your slender waist.
Tigh-ter..
Tighter!
I...
wont to accept you with all my body
I'm going to hurt you
Tigh-ter!
I can be certain of my own existence
Hurt me then!
And you need me so much

I wouldn't ever...
My need to trust
Ah
and my self that doesn't believe in trust
Anxiety..
let anyone else do this to me
I hear myself crying out
being destroyed slowly little by little by little

I...
know.
un
Although I...
I destroy myself with anxiety
I want you to become my sole possession!
So relax
need you so much!
I'll let you see everything

I can see the instant of our bodies melding together,

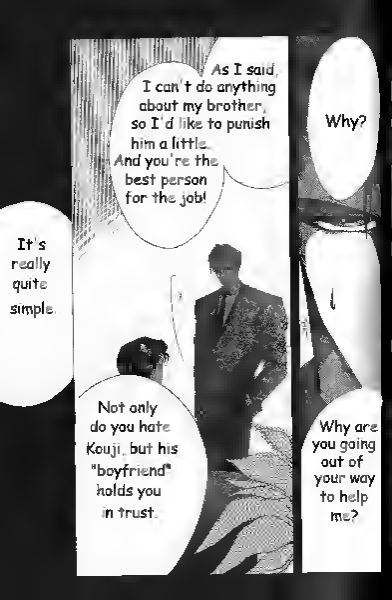
but not the eternity of our souls!



5 scores by Izumi Takuto that decided the winner!
The game is over. The winner is xxx school!
Captain Izumi Takuto s technique inspires awe, it s rumoured that he's in talks with representatives from three professional teams The rest of the school team is playing at a much higher level than
before as well!
The goal tender Kuninide holds a record for shutouts
Kun
They have a great chance of winning the championship this year!
Captain time for the presentation ceremony

We've already investigated you throughly
and we wish to sign you to our compony team
How does ten million a year sound?
Heh

Is it possible ?
Even moving to the countryside didn't discourage the media. They'll continue to cover her until they've sucked her dry
If you agree to sign with us, however, I'll have the problem resolved by tomorrow. This is the contract for the team and we can supply housing for your girlfriend as well
Are you talking about my younger brother? I can't do anything about him either. Take part of the money as apology if you will
we'll help your girlfriend keep the reporters from hounding her
Ten million
is this a joke? First your name
I refuse!



As I said, I can't do anything about my brother, so I'd like to punish him a little. And you're the best person for the job!
Why?
It's really quite simple.
Not only do you hate Kouji, but his "boyfriend" holds you in trust.
Why are you going out of your way to help me?

I want you to...
sleep with Izumi Takuto!

Moron!
Even now, Izumi is still .
What is it now
Kouji?
all by himself...
Trying to be cute?
Just let me...

Weeping,
unable to trust,

but craving love
more than anyone else!

There seem to be some difficulties with the publishing house. I should be able to resolve it soon... but at great expenditure
No worries
I reserved a suite at Hotel T for a month.
I just received the key.
Why do you mind Kouji so much?
Hirose!
Is he really that important to tradition? I don't get it at all!
Didn't we always ignore him before? Pretend he didn't exist? Why are you paying attention to him now?

Bad Akihito!
Eaves-dropping on my conversations again?
You're a good boy
I never understood what you thought before, but you're even stranger now!
You don't need to bother yourself with what I do.
I m not planning to give Kouji anything so don t worry about it
Akihito!
It s not like you! What is it?

Don't rebel against me either!
Hm....
Yo, the third wheel is here!

Net speck f gratitude for the one who helped y u th this wonderful lifu!
Oh, how horrid! How awful! Taku-chan, tell off that wretch for me!
And what a third wheel he is.
Won- derful- l life?
Did you hear him? Anyone with s r t Taku-chan isn t human to him!
Koii!
Fine. I won t tell you a thing Let Taku-chan meet with misfortune
Don t touch my Izum i
Nothing good ever happens when you drop by What is it today?
Out with it!
invit ng h mself for dinner
All the media hounding that girl dropped the story like a hot potato
I don t know what they're trying to achieve but it does hove to do with Izum
What happened to that goaltender kouhai of yours?
Your average joe couldn t pull that off It s the Nanjo who s pulling strings from the sidelines

I'm quite familiar with the feeling of being pursued and hounded
by media and public.
You are gay?
That's ridiculous!
Him and his girlfriend must be in a spot.
Apart from the reporters, they're suffering the pranks of fans, though maturity suits with her.
No Nothing much
practice as usual!
Besides our company should also take some responsible Because we are the one who created o dream to them
Although she did something wrong But I can understand her somehow She's not the only one who's crazy for 'Nanjo Kouji' Even if she didn't do that other fans would have do it
Nanjo Kouji is just this kind of man

No matter what,
How could they... hurt a girl's face like this?
I can't hate...
Eri...
Only love...
Keep... loving
First they were your friends and now they are stoning you
Can you hear me?
Eri...

I would do anything
Eri...
I couldn't protect you I'm so useless! Do you really love that guy so much?
as long as you will return to the one you were before!
Eri
Are you listening?
I always thought that you were just running after him as a fans I always believed that you loved me

You don t have money or any power
You should understand that it's impossible to protect her only with your love.
Ko... Koji...
So... Sorry!
You won't really be protecting her.
Being her shield will only satisfy yourself.
He's a boy. Therefore you don't need to worry about him getting pregnant.
There won't be any use if you attack Koji directly. That guy he won t feel o thing
I'm sure you don't wont to see Nanjo Koji ever again!

Someone like me...
Aban... don... me...
Eril
Sa... rry
Eril Don't you recognize me?
Doesn't deserve your love...
Kunihide... don't be so nice to me
The only way to destroy Nanjo Koji...
is HIM!

Only
Izumi!

3 o'clock? So thirsty...
This guy is so heavy
A video tape? The one Shibuya bought with? Ah, it's a video of Koji.
KARAKARA
Please don't abandon me!

I love you..
In my heart you are the only one I love
Little boy, you are so cute
What kind of video is that? With this kind of opening...
unemotional when he's sleeping with other women?
Marine
Is his eyes always
The lady killer Naruse Koji
So strong...
He's different when he's with me...
Those eyes... looks like if he's burning with fever...

He's always so intense...
He's so intense that hurts me although it feels good...
I can't catch up with his speed
My body is just waving after Koji's rhythm
All I can feel is Koji being inside me
I can't think anything else
His eyes is narrowed
And it seems he can look through me
I didn't thought of anything!
Oh my God!
WHAT THE HELL AM I THINK-ING ABOUT?!?
AH!
WA
AH!

I have been working really hard. I believe I'm stronger than anyone.
In mental and bodily...
I always believed that I'm a strong person.
I love you
Bad boy!
Sister's

It's not allowed...
How can you sit here in this cold weather without a blanket?
I
Your heart is jumping so fast.
What's wrong?
NO I'M NOT!!
FIGHT
FIGHT
Your heart is jumping really fast!
Are you jealous? I'm so happy
Let go! You stupid play boy!
Don't hug people back out of the blue!

Izumi Takuta
That day I can do whatever I want, ok? Yey great!
Um whatever
I regret that I asked you...
Ah... you remember?
If I just...
let myself fall into his embrace.
Oh!
would everything be easier?
How could someone forget a cute like that?
I don't have any money, so I can't buy you a present. But is there something you would like to have, like food?
It's your birthday soon, righ? 24 december?
If I trust him with all my heart, would I find happiness then?
What about a party with Shibuya and Tesh, Ryuk?
NO WAY!
Gerd
I only want to be with Izumi alone!

If you can get that so easily,
I'm not that strang as you think,
and you can call it 'reality', then
I don't love you, Koji!

I'm longing for...
happiness

I don't need it Whot I'm seeking for is not thot kind of 'True love'!
They say ' This is true love' Just offer everything to the one you love never ask something in return Even if the person you love leaves you you must smile to him and send him go If you can t do this then you don't really love him
If that s true

They say " Na matter haw misery yau are As lang as yau belive that yau live in happiness yau will live in happiness"

They alsa say "No ane knaw haw the future is like, therefare if yau can find yaur lave naw it's enaugh"

"If you reolly love o person, no matter what they do, even if they foll in love with other person, ond leoves you, you will forgive him"

Wha....
"It's really very simple!"
All you have to do is destroy their love!
What...?

PLEASE SOMEBODY TELL ME IT'S NOT HAP-PEN-ING!
He's so annoying... I have to change the locks
WHAT?!?
Nanjau Kauji, standing in the kitchen with a ladle in his hand! The guy who couldn't turn an a stave withaut burning his hair aff is... that's it...
The warld is ending!
Earthquakes storms, fires, mamma mia the world is ending!
I would love to eat his food!
That's right he asked for cookbooks
I thought they were for Izumi!
I heard from Taka chan that you were asking for cookbooks after the medical texts Scary
obviously...Izumi as well

I'm back.
That's not where the problem lies~~
~ Proudly
I'm a handy person!
Hey, Shibuya!
You're here
Cold?
Nah
As long as I take the trouble to learn the basics, I can manage.
Ozaki note. Didn't think I'd see the day I'd be drowning food cooked by Kouji.
That's right. I was freaked too
AH
AH
AH
At first the kitchen looked as if a bomb had gone off.
Came back home to find dinner already on the table. I thought he'd called a caterer
It's good... not...
He's cooked all the meals since that day

Beloved darling pet
You've got mice in your face.
Ok
Rest a few minutes first, though.
It's not good for your digestion if you jump in the bath now.
I'll go take a bath, you can give me a massage afterward.
I'm so full!
It's great!
Totally divorced from reality.
They are so newlywed-couple!
Ah
I'm willing to do anything
Cleaning and laundry
He's wiping the table.
Nanjou Kouji wiping the table...?
I can't believe it...
To be the perfect bride I suppose the next step is
Take-charging himself into a fit!
Nanjou Kouji making dinner, running the bath, giving massages diligently taking care of someone else, your fans'd keel over if they knew!

If I don't know how I learn.
ut that's not enough
It s not enough if it's all talk!
' I love you forever '

I'm constantly worried about what "he" might do...
That's right
Bodyguard? For Izumi?
I can take care of myself but Izumi's more problematical Place a bodyguard with him
Of course you can't let him know!
He'd get angry if he knew he was under surveillance
Well... that I know...
I wish I could stay by his side to protect him
You're too unusual a person not to attract notice
but it'd only have the opposite effect

In all honesty I don't know how to help Izumi's not that easy
What did I hurt your feelings?
I'm not looking for repayment
How admirable!
But I do believe that if you keep on giving eventually you'll get something in return
As long as Izumi's by my side I'm happy
Lie down. Where does it hurt today?
Left calf s a b t sere
I don't do this hoping that he'll love me
Oh, right there! That feels good!
SPY
Ah, hurt hurt
You're s aking him!
Ah, I just..
Yeah right, you just

his fatigue. I want him to feel safe smiling around me.
When he comes home tired from his day I want to gently disperse
And then...
!!

Like feathers to
softly cradle his sleep...
He's been very tired lately.
Good grief, he actually fell asleep!
That boy who s usually as wary as a wildcat just
I am still here...
you're not missing love are you?

Kouji's expression Izumi's behavior
I can't believe it!
I've never seen anything like it!
But then, what's the meaning of the apprehension that Izumi's uncertain step betrays?
That heart wrenching anxiety (because too removed from reality?) musn't be! (Correct intuition)
Kouji's sunk deeper than I ever thought! But... (Not Izumi, he can't...)

I thought it was too easy.
When this uneasy balance collapses,
I knew this affair could only end in tragedy!
I always thought it would come together in the end,
someone has to break them apart. someone–
I must!
then–
Is it still impossible for Izumi to love him?
Izumi – do you know what you show on your face?

There's only the meeting after the ceremony so I'll be back by evening
It'd be too late to save Izumi!
You're the important one tonight so just wait for me at home and I'll make something good to eat!
Morning-genki
Sure I'll wait!
I'm going
Damn him he looks sex-inrazed
There's no practice today so he's taking the bus
Happy birth day, me~
Ah Izumi! Wait!

The weather report says it's going to be cold, so wear a scarf.
You catch colds easily, and yet you still don't wear enough.

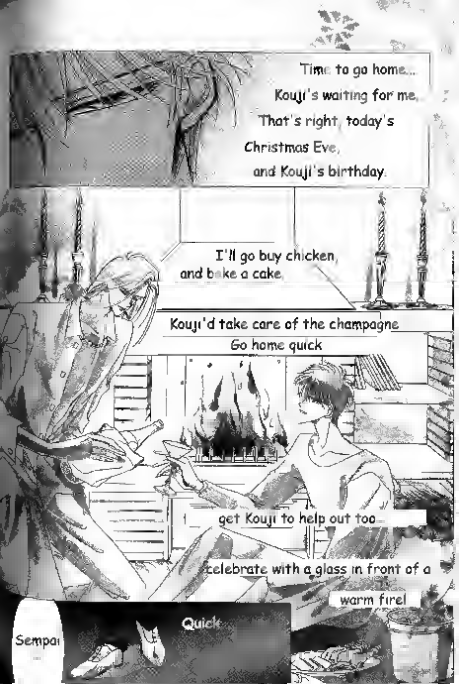
Izumi...
I love you so...
Ah...
Hah...
I love you...
I don't want you to go anywhere ot oll...
I love you...
I love you...

Kouji's so stubborn!
There's no way I can answer him!
I'd want abruptly to tear at our bodies try frenziedly to escape. Because if I delayed one instant I'd lose all of myself—
He handles me like some fragile ornament and then he pulls me to him by force. In his sweet burning arms I feel as if I should disintegrate

never once received a reply!
I love you
I love you
Those endlessly repeated words
Izumi
I'll lock you up really
Why Why do you gaze at me with those eyes?
I love you

The phrase chokes in my throat, but I won't say it for all the pain it causes me. Perhaps because of old wounds, to be desired ardently is satisfaction, but it's abandoned me before.
Koyi loves me. I just don't wont to give up that love Perhaps...
"I love you too."

...All right! that's it for today. I want everyone to have memorized this material by tomorrow!
Ah... yes!
Captain, what are you daydreaming about? These are stats on the rival teams!
So... Sorry!
I'm being cruel to him after all.
Izumi
I start thinking of nothing but him?
Hurry!
How is it that as soon as I'm apart from him,
Since when did I become this wimpy?
Unable to forget being held, being kissed...
and always getting nervous and thinking the stupidest things!
Izumi!



Time to go home...
Kouji's waiting for me.
That's right, today's
Christmas Eve,
and Kouji's birthday.
I'll go buy chicken,
and bake a cake.
Kouji'd take care of the champagne.
Go home quick.
I get Kouji to help out too.
celebrate with a glass in front of a
warm fire!
Sempai
Quick

There's something I'd like to discuss with you.
Yes...
Kouji's waiting for me...
Could you follow me a moment?
Hurry home!
Yes
Kouji's waiting for me!
Only you can help me with this!
Oh now?

!!
Hit
Snowflakes
It s not convenient to stand here outside. Would you mind coming over to my place?
Is it going to snow?
Ah all right

Hurry home!
H
Hi...
Hi
I'm going to make hot beef soup
and

What is it..?
I've lived here before, so why do
Here tea
I feel so uneasy? It's uncomfortable compared to last time, could it be because Kouji's scent is gone?
But I don't think what I said was wrong!
I went overboard last time, I apologize
Ah... What's wrong..?
...

They say this drug will cause voluntary muscular paralysis for two hours only. It doesn't harm the system.
Kuni-hide!
I don't hate you but I don't have a choice
It wouldn't be an easy matter for me to fight you so—

If I violate you here, I can protect Eri!
But I hate HIM!
St.. Stop!
He drove Eri mad... Eri whom I love so deeply!
I may be angry at you...
Love won't save her even if I throw my life into the balance it won't save her!
I don't have any other choice!
Because I don't have the time or the conditions to help her recover...
Ah

I'm a man! Are you a pervert or something?
what kind of joke is this! Stop it!
Are you crazy?
Don't you feel like a girl when you're in Nanjou Kouji's arms?
You're one to talk! Don't you do it all the time with men?
What...

Ow

I'm sorry too for what happened to your girlfr-iend...
I...
but that has nothing to do with us! We're not anything like what you said!
Don't you dare insult other people's feelings Don't you dare call us dirty names! He...
just fell in love with me. that's all there is to it!
Kouji just...

when you came to the school, I was so happy!
I..
If you really love your girlfriend, you should understand this!
I kept from it on purpose
I never made friends because of soccer before
I was so happy I relied on you!
After you came I didn't have to fake losing any more! I could play my best without hiding my skill!
We're all the same, why should we trade insults?
The whole team played better too even the atmosphere was different

Hurt
does nothing for me.
...A man's naked body...
You'd have to be twisted to get it on with someone of the same sex.
I understand the ones who do both men and women even less
No matter how beautiful the person it's still disgusting! Your looks and physique are nothing like a girl's, you even fight better than me... you're obviously male!

are you in love with him too?
...Izumi-sempai, then...
I don't understand the mentality of homosexuals either. I don't despise them. I just find it gross.
I...
don't know...
I never really tried to understand but...
Kouji's not the same!
Even though he's a playboy and has no sense...
He says that besides me nothing matters. he could give up anything!
He fell in love with me beyond retrieval. That's all

That...
sort of emotion I can understand
It's precisely because I don't care about anything else that I brought myself to do this to you...
To love someone past all help, to love and not be able to stop!
I'm sorry! Please forgive me, Izumi-sempai...

!!
What?
Kuni-hide!
After having taken a drug like that you're still able to fight?
You are better then I thought!
The agreement is void!

Nanjo...
Hirose!
Ah..
Let me help you to another dose

Izumi's voice? He's calling me?

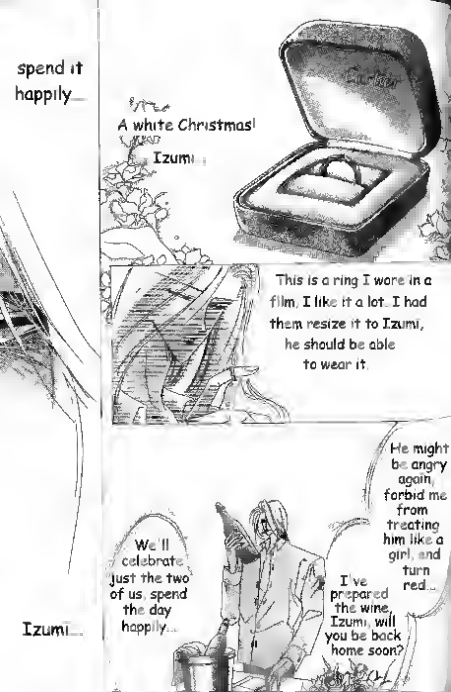
KOJI!!

It must be an illusion like always, mustn't it?

I'm always thinking of Izumi.

Every day before Izumi gets home I warry!

It's snowing



spend it happily...
A white Christmas!
Izumi...
This is a ring I wore in a film. I like it a lot. I had them resize it to Izumi, he should be able to wear it.
He might be angry again, forbid me from treating him like a girl, and turn red...
We'll celebrate just the two of us, spend the day happily...
I've prepared the wine, Izumi, will you be back home soon?
Izumi...

But then why?
Why this gnawing apprehen-sion in my heart?
<To be continue >
